

# Celebrate Groundhog Day

Join the nation's first Weather Museum along with the Houston Zoo and the Downtown Aquarium to find out if winter is over.

Saturday February 2, 2008 starting at 10am

## *Free Family Fun All Day at the Weather Museum*

***At 10 AM***

**Isis, Downtown Aquarium's Serval, will look for her shadow!**

***At 11 AM***

**Tuck the Southern Three Banded Armadillo from the Houston Zoo, will look for his shadow!**

**Also, discover the myths of Groundhog Day!  
*Why does the groundhog look for his shadow?  
Is the groundhog always right?***
